Rocky Mountain Cadet Training Centre – Joining Instructions Course and Staff Cadets

Issued on the Authority of the Commanding Officer

OPI: J35 Deputy Chief Training Officer

2019-06-05

(Left blank intentionally)

PURPOSE

1. The purpose of the joining instructions is to provide cadet candidates, selected staff cadets, and their parents, with the necessary information for course participation. They must be read in full, as it contains important information about the cadet's participation at the Cadet Training Centre (CTC).

COURSE DETAIL

2. The primary role of RMCTC is the provision of the Leadership and Challenge Course to senior Army Cadets from across Canada. RMCTC is also home to a first class Highland music program for various levels of Sea, Army, and Air Cadets from Western Canada. The Training Centre also plays host to Cadets from various partner countries in exchange for training opportunities for Canadian cadets abroad. The longest standing exchange program exists with the United Kingdom who regularly sends 12 of its best representatives to participate alongside Canadian cadets in the Leadership and Challenge Course.

3. RMCTC provides four training courses during its summer operation:

- a. Cadet Leadership and Challenge Course (CLCC), for Senior Army Cadets; and
- b. Basic, Intermediate, and Advanced Pipes and Drums for Sea, Army, and Air Cadets.

4. RMCTC comprises approximately 100 staff and staff cadets as well as 250 course cadets.

PREPARATION

PRE-DEPARTURE CHECKLIST

5. A pre-departure checklist is at Annex A. Please review it and post it on your refrigerator as a reminder to help you prepare to send your cadet away to the Cadet Training Centre. Please ensure that your cadet has all the information in this checklist, as it will assist them with travel and having an enjoyable summer.

6. Each year, RMCTC organizes supplemental exam sessions for cadets and staff cadets belonging to Quebec school boards. These sessions are held at the same time as the ones organized in Quebec. The exams are those of the Ministère de l'Éducation or the school boards wishing to have their local exams sent to the Training Centre. It should be noted that the school boards are under no obligation to RMCTC to have the exams administered. In order to facilitate liaison with the school boards, it is necessary to complete Annex B. This information must be submitted on your arrival at the Training Centre.

7. Parent/Guardian of cadets attending CLCC as a course cadet or staff cadet must read and complete the Parent / Guardian Consent and Acknowledgement of Risk Form found at Annex C in order for their cadet to participate in the activities associated with the course.

CLOTHING AND EQUIPMENT REQUIREMENTS

8. Issued and civilian clothing and equipment requirements are detailed in the Joining Instructions Kit List (Annex D). All items should be clearly marked with cadet name and initials in permanent ink. Regimental kit and accouterments including, but not limited to, highland dress, patrol dress, and ceremonial white belts, are not required and must not be brought to the CTC.
9. Cadets MUST ensure that all DND-issued items of clothing, especially footwear, fit properly before departing for training. There are no facilities for clothing exchange at the CTCs. Any necessary clothing exchanges must be completed at the local corps/squadron.
10. Warm Clothing. The CTC is located at 4500' above sea level where normal morning temperatures range between 5-10° C. It is common, for snow to fall in early June. Cadets and staff attending RMCTC are advised to ensure they bring suitable warm civilian clothing such as a sweater and coat.
11. Civilian Clothing. With the exception of PT gear, there is no need for cadets to wear civilian clothing. However, the CO may authorize wearing appropriate civilian clothing during off hours provided it is not defaced, cut, ripped, or has drawings, lettering, or other adornment on it that is offensive in nature. Civilian clothing may be permitted during non-training activities such as dances and relaxed periods, along with the training centre T-Shirt. Appropriate PT gear is outlined in Annex D.
12. Lockers/Personal Storage. Personal storage space within CTC accommodations tends to be limited. Cadets are thus discouraged from bringing any items not specifically described in the relevant Kit List. Bringing valuables of any sort (personal electronics, cameras, jewellery, cell phones, etc.) is done so entirely at the cadet's risk. Cadets are responsible for securing their own possessions and the Canadian Armed Forces accepts no responsibility for personal property. All personal items should be documented on a Record of Valuable Items (Annex E) which should accompany the cadet.
13. Course Clothing. Cadets may elect to purchase course specific clothing as a memento of their course. These items are offered for purchase at the individual's expense. The training bonus may be used to offset these costs.
14. It is customary for cadets to purchase a Platoon t-shirt for approximately \$20. At RMCTC, this t-shirt will be put to good use not only as a keepsake but because it becomes an additional item for wear with the cadets' uniform. Therefore, all cadets are encouraged to make this purchase. Cadets may pay for these items by signing an agreement to have the purchase price withdrawn against the first instalment of their training bonus.
15. Staff Cadet Mess Dinner. The staff cadet mess dinner, dining in, or other alternate activity may be held at the CO's discretion and is designed to develop the traditional social protocols and values of the CAF. The dress for staff cadets at a mess dinner/dining in is Staff Cadet Mess Dress (C2 - Sea Cadets, C6 - Army Cadets and C8 - Air Cadets). The CO may permit staff cadets to wear suitable equivalent civilian attire to the dinner.

TRANSPORTATION ARRANGEMENTS

16. The Regional Cadet Support Unit (Northwest) (RCSU (NW)) Movements staff will arrange transportation to and from the CTC. Details will be made available in Fortress (the

administration system of the Canadian Cadet Organizations) to Corps/Squadron's Commanding Officer and Zone Training Officer who will provide cadets with the necessary instructions and/or document. Parents/Guardians must ensure they understand the time & location for dropping off and picking up their cadets. Consult with Corps/Sqn CO if unsure. A contact list of Regional Movements Officers is to be carried by the cadet, and used if required while travelling. If any difficulties in travel arrangements are experienced, the emergency contact number for the RCSU (NW) Movements Officer is:

- a. (855)761-3747; and
- b. For out of region personnel attending Rocky Mountain CTC, contact your applicable region movements staff.

17. Uniform while Travelling. When travelling to and from the CTC, army and air cadets shall wear Routine Training Dress C4 and sea cadets are to wear a modified version of Service Dress C3. Cadets shall wear their elemental headdress, elemental t-shirt, jacket (tunic), trousers or slacks with belt, boots and grey wool socks. Dress shirt, tie or gun shirt are to be packed in the cadet's luggage. The dress and deportment of all cadets shall be above reproach at all times. Cadets are NOT to wear ceremonial accoutrements while travelling including but not limited to medals, kilts, white gloves, brass belts, white lanyards for air cadets etc.

18. All cadets must have a valid Government Issue identification card prior to their departure from home to the CTC. The name must be identical to the legal name submitted when they applied for a CTC. For air travel, as a minimum, cadets under age 16 must have either one piece of photo identification or two pieces of identification, one of which specifies gender and date of birth and legal name. Documents such as a health card or birth certificate satisfy this requirement. Cadets aged 16 and over must have identification with photo. In both circumstances, a valid passport fulfills the requirements. School identification or Cadet Corps/squadron I.D. cards are not accepted. Cadets whose 16th birthday falls within their summer training period will be required to hold the higher level of documentation for their homeward journey.

19. Under the Government of Canada's Passenger Protect program, for all air travel, full legal names must be used. Cadets' names as registered with their home Cadet Corps/squadron MUST match the identification being carried.

20. Cadets and Staff Cadets travelling by air will have the cost of their first bag paid for. Additional baggage entitlements and restrictions will be identified in the Travel Orders. The following are some general guidelines to adhere to:

- a. baggage must be tagged with identification tags, displaying cadet's name, address, telephone number and Cadet Corps number, and must not exceed 50 lbs/22 kg;
- b. garbage bags, pillowcases, and bags with broken zippers are not acceptable as baggage;
- c. do not carry breakables in your baggage as DND or the air carrier cannot guarantee they will arrive undamaged;

- d. aerosol, liquids, gels are only permitted in carry-on luggage in limited amounts. In checked luggage the items together cannot exceed: 2L, or 2kg (75 fl. oz.);
- a. due to increased security, items considered dangerous are not to be packed in carry-on luggage. These include items such as nail files, nail clippers, box cutters, scissors, sewing kits, etc;
- b. a full list of permitted and non permitted items allowed on aircraft can be found at the Canadian Air Transport Security Authority [website](#); and
- c. carry-on luggage should be no larger than a school backpack.

21. The Department of National Defence is not financially responsible for lost or damaged baggage on carriers other than actual DND aircraft. In the event of lost baggage while travelling on a commercial carrier (Air Canada, WestJet, etc) it is the travelling individuals responsibility to report the loss to the applicable carrier as the financial responsibility rests with the carrier. The Movements Officer shall assist in locating the lost baggage.

22. Meals appropriate to the time of day are provided enroute if a cadet's travel extends over a meal period.

23. Cadets are not authorized to bring private motor vehicles of any type to a CTC. Parents/guardians may transport cadets to and from the training centre if prior arrangements are made with the Movements Officer through the Corps Commanding Officer/summer contact officer. Parents/Guardians are to complete the Parental Pick Up/Parental Drop Off Form and submit it to the Movements Officer to ensure all personnel are made aware of the request.

TRAVEL TIPS

24. Always make a checklist of everything in the cadet's checked baggage and carry-on. This will assist the cadet in filing a claim should it become lost. It will also assist the cadet in packing considerations for their next experience at a CTC/CFTC.

25. The cadet must always have their travel orders and identification available and on their person, not packed in their luggage.

CADET CODE OF CONDUCT

26. In order to participate at a CTC, course cadets and staff cadets must complete and submit upon arrival at the CTC the code of conduct located in Annex F of the joining instructions and arrive with a signed copy of their offer of participation.

MEDICAL AND DENTAL CARE

27. Medical Services. Each Training Centre is staffed with medical personnel, including a physician during training hours, to provide a first-response level of medical services intended to deal with minor injuries and routine medical conditions. When necessary, individuals may be referred to local civilian medical facilities for more comprehensive diagnosis and/or treatment.

28. Dental Services. Emergency dental care is available in the event of accident or injury. No dental care beyond the emergency level is provided.

29. Further details on prescription medication, over the counter medication, eyeglasses, and making a claim can be found at Annex G.

30. RMCTC is a remote location and is more than 45 minutes travel to a physician. Cadets that arrive at RMCTC with medical limitations requiring ready access to a physician may be returned to their unit.

ACCOMMODATION PLAN REQUIREMENTS

31. Regional Cadet Support Unit (NW) is committed to attempting to resolve requests for accommodations including, but not limited to, gender related requests, except where accommodation would constitute “undue hardship”. Common requests in the CCO are for religious, gender, and medical (mental, physical disability, etc.) accommodations.

32. Requests for food related preferences, intolerances, and/or allergies cannot be accommodated. Requests for food related requirements based on religious reasons must be indicated to RCSU(NW) via email below.

33. Until such time as Fortress is able to provide functionality in advising of accommodation plan requirements, RCSU (NW) will implement a regional work process as follows:

- a. cadet corps shall handle requests for accommodations for the local program internally, except in the case of not accommodating based on “undue hardship”, which should only be determined in consultation with their Zone Trg O; and
- b. requests for accommodations for all other activities including CTC should be made with as much notice as practicable to NorthwestPlans@forces.gc.ca. If the specifics of the request cannot be emailed, please use email to request follow-up with RCSU (NW) staff by phone.

TRAINING CENTRE ROUTINES

IN-CLEARANCE

34. All cadets are processed through an in-routine upon arrival and will be required to provide the following:

- a. name;
- b. course attending;
- c. health card (confirmation cadets have it in their possession);
- d. eyeglass and other prescriptions (if applicable);
- e. all required paperwork outlined in the checklist (Annex A); and
- f. any travel documents/tickets.

35. Arriving cadets are subject to a brief interview and health screening examination by medical personnel to help inhibit the possibility of migrating any contagious or communicable condition to other personnel and to ensure the cadet is medically fit for training. Personal luggage will be subject to inspection upon arrival to ensure that no unsafe or prohibited items are brought into the training centre.

TRAINING CENTRE SERVICES AND INFRASTRUCTURE

36. Cadet Banking. A banking system will be in place for cadet use. Cadets are encouraged to limit their spending money on hand, and bank the remainder as a safeguard against loss or theft. The training centre provides an on-site banking service. Cadets are encouraged to deposit any large amounts of money they bring with them upon arrival to the training centre. They may withdraw their money as required throughout the summer. Bank accounts are reconciled and the cadet is issued a cheque for the remaining balance upon their departure from the CTC. Cadet Training bonuses are deposited automatically into each cadet account.

37. There are no ATMs (Automated Teller Machines) located within the Training Centre. However, cadets holding their own personal banking cards may be provided periodic opportunities to access an ATM at nearby commercial locations.

38. Canteen. Light refreshments, including soft drinks, chocolate bars, souvenirs, and various sundry and hygiene items are available at the cadet canteen for purchase.

39. Pay Phone. Pay phones are available within the CTC for personal calls.

40. Haircuts. Cadets will have access to hair cutting services on the CTC. Payments will be done through the cadet's CTC bank account.

41. Barracks. Cadet accommodations are multi-occupant, gender-specific, and access-restricted. Sleeping equipment consists generally of two-tier bunk beds. All bedding (sheets, blankets, pillows) is provided. Security for cadets' personal belongings is provided by "barracks boxes" or steel lockers similar to those in school. Cadets are expected to bring their own padlocks.

42. Meals. Meals are served to cadets in a cafeteria-style mess-hall environment three times daily. CF facilities do not offer allergen-free foods or food preparation conditions and cannot ensure avoidance of certain ingredients in food preparation. Whenever possible, foods containing or prepared with identified possible allergens (e.g. nuts, dairy, and shellfish) are so identified when served; however, under Director Food Services policy, it remains the individual's responsibility to monitor their own food intake to avoid an allergen.

43. Personal stocks of foodstuffs (snacks, confections, beverages) are not permitted in living quarters. Upon arrival or after purchase any unfinished food and beverages will be kept at the company level, where the cadet will have access to retrieve the item(s) later.

44. Postal Services. Postage deliveries and pickups occur daily at the Training Centres. Cadets desiring to mail letters should bring a supply of postage stamps. Additional stamps are available for purchase at cadet canteens. Parents wishing to send mail to their sons/daughters or to a Training Centre headquarters should refer to address paragraph 64.

45. Laundry. Laundry Facilities are available for Staff Cadets and Adult Staff. Personnel are responsible for providing their own laundry detergent. Emergency stock of laundry detergent, fabric softener, etc. can be purchased from the cadet canteen in small quantities. Course Cadets do not have access to laundry facilities. Their laundry is managed through a laundry service once a week. Laundry is picked up, washed, and returned within a 24-hour period. For this reason, it is crucial that all items of clothing are marked with the cadet's last name and initials.

46. Worship Services and Spiritual Guidance. Each Training Centre maintains a multi-denominational staff of chaplains making every effort to meet the needs of all religious denominations. The centre provides access to both Protestant and Roman Catholic services for those cadets wishing to attend. Those cadets seeking a service within their own faith are encouraged to approach the Training Centre chaplains for assistance.

TRAINING BONUS

47. Course cadets qualify for a training bonus of \$10.00 per day starting on the first day of training, to a maximum of \$60.00 per week for all courses. The bonus is paid in instalments, at the end of one and three weeks' training and (for six-week courses) upon completion of the course. Interim installments are paid in cash and the final installment is paid by cheque. Staff cadets will receive payment on the 15th and 30th of each month via direct deposit.

PERSONAL APPEARANCE

48. The standards of personal dress, appearance, and grooming shall be such as to reflect credit on the individual and on the Canadian Cadet Organizations as a whole. Cadets are expected to ensure a standard of grooming consistent with military and cadet standards while participating at a Training Centre. Personal appearance will adhere to the applicable elemental policy: CATO 35-01 Sea Cadet Dress Instructions, CATO 46-01 Army Cadet Dress Regulations, or CATO 55-04 Air Cadet Dress Instructions.

STAFF CADET DEVELOPMENT TRAINING

49. Staff cadets will participate in development training during the first week of their course. They will be placed into staff positions based off their interest, experience, qualifications, and previous and current performance.

50. Some staff cadets have been predetermined and selected to fill specific positions based on the position requirement, their experience and qualifications. Staff Cadets pre-selected for positions will complete a staff cadet development training specifically for the positions they were selected for.

VISITS, LEAVE AND PASSES

51. Cadets attending the Training Centre are considered undergoing training. Parents are reminded that training occurs seven days a week commencing at 0600 hrs daily and concluding at 2000 hrs following a varied and active training day.

52. Cadets require parental consent to depart the Training Centre. The cadet must be accompanied by a responsible individual, authorized by the parent/guardian, and normally identified in Fortress. The names of these individuals can be communicated to Corps/Sqn staff

for input in Fortress. Questions on authorized adults stored in Fortress can be directed to your Administration Officer. In any case, leave authorization is dependent on training requirements. Leave passes are generally not available to cadets attending two-week courses.

53. If there are special restrictions (e.g. due to court orders, custody issues, etc.) or changes in authorization of who may take a cadet on leave, the Training Centre requires notice in writing, either by mail, fax, or scanned and emailed.

54. Leave periods vary according to the training requirements on each course and parents should consult with the Training Centre Staff before making any travel plans. Cadets are required to be in uniform when departing and returning to the Training Centre.

55. Staff Cadets may have the opportunity to take outings away from the CTC or activity site during off time. For example these could be to a shopping mall or the nearest town. Staff Cadets are to bring with them the Parental Consent Form – Staff Cadet Unsupervised Day Trips indicating if their parent/guardian authorizes unsupervised day trips. The form can be found at Annex H.

SMOKING, ALCOHOL, AND DRUGS

56. Smoking. All Cadet Training Centres have a NO SMOKING policy for all cadets. Course cadets and staff cadets are not permitted to smoke either on or off CTC property. If a cadet attends a training centre with a smoking addiction parents are expected to provide their cadet with smoking cessation products.

57. Alcohol. All Cadet Training Centres have a NO ALCOHOL policy for all cadets.

58. Drugs. Drugs are prohibited as defined in the Narcotics Control Act and in Parts 3 and 4 of the Food and Drug Act. This includes any other substance known to competent medical authorities as a drug, which if injected, consumed, or inhaled has the capacity to affect the normal functions of the mind or body.

59. Cannabis. To ensure the safety and well-being of all staff and cadets at a CTC, the recreational usage or possession of cannabis will not be permitted on CTC premises, or during CTC sponsored activities that occur outside of CTC premises. This is regardless of the local base policy. The only exception is for prescribed medical cannabis.

60. Failure to adhere to any of the above policies or other the rules at CTC may result in the cadet being Returned to Unit (RTU) and/or referral to the appropriate authorities.

CELLULAR PHONE

61. Cadets are authorized to bring cellular telephones to the CTC. RCSU Northwest does not take any responsibility for the loss or cost of inappropriate use of a cellular telephone. Personal communication devices such as cellular phones are valuable items. Each CTC will advise cadets on the policy for securing and use of cellular telephones. Cadets will be required to follow this policy as cellular telephones have the potential to be disruptive when it undermines the integrity of individual's rights to privacy, adversely affects the quality of teaching or learning, and/or interferes with the efficient operation of the CTC. Cadets will only be permitted to use their phones during non-training hours. Due to the remote location of the CTC, there is no cell reception.

GRADUATION AND RETURNING HOME

62. RMCTC conducts a full ceremonial review Graduation Parade at the conclusion of each three- and six-week training serial. Parents and friends are welcome and encouraged to attend.

63. Graduation Parades. The graduation parade dates for the RMCTC are as follows:

- a. Serial one of Basic Pipes and Drums, 26 Jul 19, 1000 hrs;

- c. Intermediate and Advanced Pipes and Drums, 16 Aug 19, 1000 hrs; and
- d. Cadet Leadership and Challenge Course, 16 Aug 19, 1000 hrs.

64. Cadets do not depart immediately following graduation parades. Pre-departure out-clearance procedures and transportation arrangements are planned well in advance of the scheduled departure dates. Further, due to the large number of cadets departing in a short time frame, a rigid departure plan must be maintained.

PARENTAL PICK UP / DROP OFF

65. If a parent/guardian would like to choose to drop off their cadet directly at the training centre or to pick them up from the training centre they must complete the Request for Deviation of Travel Parental Pick Up and/or Drop off form located at Annex I. This form is only for cadets in Northwest Region. Cadets from other regions must contact their regional movements section to request a deviation in travel.

66. It is imperative that parents desiring an early departure with their sons/daughters advise the Training Centre as soon as possible. In order to expedite the process and in an attempt to reduce lengthy delays, parents are obliged to complete the Request for Deviation of Travel Parental Pick Up and/or Drop Off form located at Annex I. If circumstances change, a substitute form may be sent by emailed to NorthwestTransport@forces.gc.ca

67. Parents, or those adults designated by parents as the person authorized by them to transport the cadet home, are obliged to ensure they have adequate identification on their person and that they are indeed the parent or individual identified in Fortress, on the cadet's Offer of Participation or Request for Deviation of Travel from. CTC staff are obliged to exercise due diligence and will not release a cadet to anyone's custody without the proper parental authorization and confirmation of identity.

ROCKY MOUNTAIN CADET TRAINING CENTRE

LEADERSHIP AND CHALLENGE COURSE

Parent / Guardian Consent and Acknowledgement of Risk Form

Dear parents,

I wish to congratulate your child's/ward's selection to attend the Leadership and Challenge Course at the Rocky Mountain Cadet Training Centre, Alberta. Thousands of Army Cadets as well as representatives from the United Kingdom, Germany, France and the United States have safely completed this course since its inception in 1948. Being selected to attend this prestigious and highly rewarding advanced training opportunity is a testament to your child's/ward's dedication, commitment and ability as an Army Cadet.

In 2008, Parks Canada implemented a new regulation aimed at custodial groups such as ours that requires parents/guardians to sign an acknowledgement of risk form in order for their child/ward to participate in training activities inside the boundaries of Banff National Park. Without your signed consent, Parks Canada will not allow us to train inside the park boundaries. Therefore, the purpose of this letter is to inform you of the training your child/ward will be participating in, the potential risks associated with their participation in this training, steps that we have taken to minimize risks and for you to provide us with your informed consent authorizing your child's/ward's participation in the training activities.

The Leadership and Challenge Course is comprised of six training cycles conducted in an area that covers 4000 square kilometers within the boundaries of Alberta and British Columbia Provincial Parks and Banff National Park. Cadet training includes:

- alpine trekking – 5 days (both day and overnight hiking expeditions, overnight component is four days / three nights, conducted in mountainous terrain)
- glacier training – 5 days (both day and overnight expeditions, overnight component is four days / three nights, base camp operation, glacier ascents conducted in mountainous terrain)
- rock climbing – 5 days (both day and overnight climbing trips, overnight component is three days / two nights, multi-pitch climbing conducted in mountainous terrain)
- watermanship training – 5 days (both day and overnight paddling trips, four days / three nights, base camp operation, paddling is comprised of either canoeing or kayaking, conducted on moving water)
- horseback training - 3 days (both day and overnight horseback riding trips, overnight component is 2 days /one night in mountainous terrain, overnight component is 2 days / one night) with 2 days Wilderness First Aid Training within the confines of the training centre

The sixth training cycle, mountain biking, is divided into three activities as follows:

- mountain biking – 4 days (both day and overnight biking trips, overnight component is 2 days / one night, biking takes place both on and off trails, conducted in mountainous terrain)

- orienteering (day activity only, map and compass navigation in wooded and hilly terrain on Training Centre property)
- Parks Project Trails building in Banff National Park, Canmore and Alberta Provincial Park – 1 Day (cleaning trails, shoveling, raking, moving smaller rocks, clearing bushes)

As with any training on mountainous terrain in a wilderness environment there is a degree of inherent risk associated with your child's/ward's participation. The potential hazards associated with this course include, but are not limited to:

Drowning	Rare	Severe	Use of Personal Flotation Devices, provide training for capsizing and rescue drills; take care filling water bottles
Lost Participant	Rare	Moderate ➔ Severe	Keep group together; brief cadets on lost and alone procedures; regroup at junctions; have tail end sweep
Food/Water Loss or Contamination	Rare	Moderate ➔ Severe	Purify water; cook / refrigerate food adequately; store food away from animals or other contaminating causes

While the above list may cause concern, be assured that the safety of your child/ ward is our primary concern. All of our training activities are first assessed from a risk management perspective and are not approved unless they are deemed to be safe. To this end we have contracted with Yamnuska Mountain Adventures, a reputable outdoor guiding service provider, for its expertise. We have spared no effort or expense and are therefore confident that the training provided at Rocky Mountain Cadet Training Centre is as safe as possible.

That being said, training injuries can, and do, occur. To further mitigate this eventuality, we provide all military training staff employed in supervisory positions on the course with the Wilderness First Aid Course. In addition, we have developed and tested a detailed Emergency Response Plan which allows us to safely evacuate injured cadets from any training cycle, in any location, to professional medical care in a very timely fashion. Our Operations Centre is manned 24 hours a day, every day that cadets are in the field and all groups are in continuous communication via radio and satellite phone.

In addition to these safety measures, the Department of National Defence and Yamnuska Mountain Adventures ensure you that:

- the supervisors and staff are fully trained and qualified
- the cadets who undertake the course are adequately supervised
- the location and / or facilities meet the applicable health and safety standards
- any equipment made available or used in the activity has been inspected and is deemed to be appropriate, safe and well maintained
- the location where the activity will take place is appropriate for course use and the training objectives as intended

MEDICAL CARE FOR CADETS

CLINICS AT CADET TRAINING CENTRES

1. Cadet Training Centres (CTCs) will be equipped with a clinic whose mission is to provide emergency healthcare. The mission of the clinic is to stabilize the patient and evaluate the need for more advanced healthcare. In accordance with current regulations, cadets are provided treatment at the CTC similar to what one would expect at an average walk-in clinic dealing with minor ailments. These clinics also oversee the distribution of prescription medications that cadets have when they arrive. Major ailments or injuries to cadets beyond the capacity of the clinic are referred to provincial/territorial health authorities for treatment.

2. There is a screening process completed prior to attending a CTC to ensure the cadet is medically able to complete the training offered. Clinics are not able to provide care for pre-existing dental or medical problems that prevent the cadet from participating in the directed training. A cadet with an ailment that cannot be supported by the CTC will be returned home.

PROVINCIAL/TERRITORIAL HEALTH CARDS

3. All cadets must have a copy of their provincial/ territorial health and original photo identification card in their possession. Cadets who live outside of Northwest Region must also have a photocopy of their personal or family health card issued by the respective province.

PRESCRIPTION MEDICATION

4. Cadets requiring prescription medication must bring sufficient medication to last for their entire stay at the training centre. Medications will be logged in and retained by CTC Medical staff, together with dispensing instructions. Although proper dosages and frequency are supervised by CTC staff, cadets are expected to be aware of, and understand, their own medication requirements. If prescription replenishment is likely to be required during the course, cadets must have in their possession the medication renewal prescription, the dosage, and sufficient funds to cover the cost of acquiring the medication. Canadian Forces Health Services will not pay for refilling prescriptions. All prescription medication must be accompanied with the completed CATO 16-04 Record of Medication found in Annex G Appendix 1.

OVER-THE-COUNTER AND PATIENT MEDICINES

5. Cadets are not permitted to retain any non-prescription medications. Should circumstances warrant CTC medical staff will administer any appropriate medication(s). All over the counter medication must be accompanied with a completed CATO 16-04 Record of Medication found in Annex G Appendix 1.

6. Medic-Alert Bracelets. Cadets in possession of and/or with known medical conditions (diabetes, allergies etc.) must wear a Medic-Alert bracelet while attending a Cadet Training Centre.

EYEGASSES, LENSES, CONTACT LENSES AND FRAMES

7. The CAF will replace or repair lost or broken glasses or contact lenses, if the damage or loss is directly attributable to training or duty and was unavoidable. These items are the

personal property of the cadet; therefore, it is strongly recommended that the cadet or the parent have insurance coverage for repair/replacement of eyeglasses. In addition, cadets requiring eyeglasses shall have in their possession two pairs of glasses and a copy of the prescription. Cadets are responsible for the safety of their eyeglasses and must exercise all due diligence in preventing loss or damage (wearing retaining straps etc.).

DENTAL SERVICES

8. When a cadet suffers any injury to the teeth and adjacent oro-facial structures attributable to performance of duty, a cadet is entitled to the treatment that is necessary to restore a state of oral health comparable to that, which existed prior to the injury. Re-constructive oral surgery to correct a pre-existing condition will not be provided.

ENTITLEMENTS/BENEFITS/COMPENSATION

9. Cadets, civilian instructors, and volunteers are not eligible for compensation and benefits set out in Compensation and Benefits Instructions (CBI) for the Canadian Armed Forces: only CAF members are eligible/entitled to receive such benefits.

10. The cadet will receive health care to treat the attributable condition until the responsibility for providing health care has been, in the opinion of the senior medical authority, successfully transferred to the provincial/territorial authority.

11. The CAF/DND and/or League Insurance will pay for necessary health care that is not covered by provincial/territorial health authorities which is required to treat the attributable condition and is authorized by the senior medical authority.

ALLERGIC REACTIONS/ANAPHYLAXIS

12. Due to the remote location of Rocky Mountain CTC Cadets that are allergic to insect stings and/or who may be prone to severe allergic reactions/anaphylaxis will not be permitted to attend training at the CTC.
