## REGIONAL CADET SUPPORT UNIT (NORTHWEST)

### Whitehorse Cadet Training Centre – Joining Instructions Course and Staff Cadets

Issued on the Authority of the Commanding Officer

OPI: J35 Deputy Chief Training Officer

2019-06-05

**(Left blank intentionally)**

## **PURPOSE**

1. The purpose of the joining instructions is to provide cadet candidates, selected staff cadets, and their parents, with the necessary information for course participation. They must be read in full, as it contains important information about the cadet's participation at the Cadet Training Centre (CTC).

## **COURSE DETAIL**

2. Located at the Boyle Barracks 20km south of Whitehorse, YT; Whitehorse CTC (WCTC) is the only Cadet Training Centre "North of 60°". Cadets from across Canada along with cadets from the United Kingdom will participate in the training programmes delivered during the summer months at WCTC. This cross-cultural environment presents a unique citizenship opportunity for all cadets attending WCTC. Our area of operations covers an area of the Yukon Territory from the Robert Campbell Highway to the North, the South Canol Road to the East, Tagish to the South and Kusawa Lake to the West.

3. WCTC conducts the following six training courses during the summer:

- a. General Training;
- b. Basic Expedition;
- c. Basic Marksman;
- d. Expedition Instructor; and
- e. Air Rifle Marksmanship Instructor.

4. WCTC comprises of approximately 120 staff and staff cadets as well as 216 course cadets.

5. Training at WCTC ranges from basic indoctrination for new cadets to leadership, team building and instructional techniques training for second and third year cadets; as well as on the job training for fourth and fifth year cadets.

## **PREPARATION**

### **PRE-DEPARTURE CHECK**

6. A pre-departure checklist is at Annex A. Please review it and post it on your refrigerator as a reminder to help you prepare to send your cadet away to the Cadet Training Centre. Please ensure that your cadet has all the information in this checklist, as it will assist them with travel and having an enjoyable summer.

### **CLOTHING AND EQUIPMENT REQUIREMENTS**

7. Issued and civilian clothing and equipment requirements are detailed in the Joining Instructions Kit List at Annex B. All items should be clearly marked with cadet name and initials in permanent ink. Regimental kit and accouterments including; but not limited to, highland dress, patrol dress, and ceremonial white belts, are not required and must not be brought to the CTC.

8. Cadets MUST ensure that all DND-issued items of clothing, especially footwear, fit properly before departing for training. There are no facilities for clothing exchange at the CTCs. Any necessary clothing exchanges must be completed at the local corps/squadron. Fleece jackets are highly recommended for all expedition training cadets.

9. Warm Clothing. All personnel are advised to bring long underwear and suitable warm outer clothing. The mean temperature for the July to August time frame ranges from a daytime high of +25 Celsius to a night time low of +2 Celsius. Exercises are often conducted at higher altitudes with lower temperatures and generally poorer weather conditions. Fleece jacket and trousers are only issued to the Expedition Instructor course.

10. Civilian Clothing. With the exception of PT gear, there is no need for cadets to wear civilian clothing. However, the CO may authorize wearing appropriate civilian clothing during off hours provided it is not defaced, cut, ripped, or has drawings, lettering, or other adornment on it that is offensive in nature. Civilian clothing may be permitted during non-training activities such as dances and relaxed periods, along with the training centre T-Shirt. Appropriate PT gear is outlined in Annex B.

11. Lockers/Personal Storage. Personal storage space within CTC accommodations tends to be limited. Cadets are thus discouraged from bringing any items not specifically described in the relevant Kit List. Bringing valuables of any sort (personal electronics, cameras, jewellery, cell phones, etc.) is done so entirely at the cadet's risk. Cadets are responsible for securing their own possessions and the Canadian Armed Forces accepts no responsibility for personal property. All personal items should be documented on a Record of Valuable Items at Annex C which should accompany the cadet.

12. Course Clothing. Cadets may elect to purchase course specific clothing as a memento of their course. These items are offered for purchase at the individual's expense. The training bonus may be used to offset these costs.

13. Staff Cadet Mess Dinner. The staff cadet mess dinner, dining in, or other alternate activity may be held at the CO's discretion and is designed to develop the traditional social protocols and values of the CAF. The dress for staff cadets at a mess dinner/dining in is Staff Cadet Mess Dress (C2 - Sea Cadets, C6 - Army Cadets and C8 - Air Cadets). The CO may permit staff cadets to wear suitable equivalent civilian attire to the dinner.

## **TRANSPORTATION ARRANGEMENTS**

14. The Regional Cadet Support Unit (Northwest) (RCSU (NW)) Movements staff will arrange transportation to and from the CTC. Details will be made available in Fortress (the administration system of the Canadian Cadet Organizations) to Corps/Squadron's Commanding Officer and Zone Training Officer who will provide cadets with the necessary instructions and/or document. Parents/Guardians must ensure they understand the time & location for dropping off and picking up their cadets. Consult with Corps/Sqn CO if unsure. A contact list of Regional Movements Officers is to be carried by the cadet, and used if required while travelling. If any difficulties in travel arrangements are experienced, the emergency contact number for the RCSU (NW) Movements Officer is:

- a. 1(855)761-3747; and

- b. for out of region personnel attending Whitehorse CTC, contact your applicable region movements staff.

15. Uniform while Travelling. When travelling to and from the CTC, army and air cadets shall wear Routine Training Dress C4 and sea cadets are to wear a modified version of Service Dress C3. Cadets shall wear their elemental headdress, elemental t-shirt, jacket (tunic), trousers or slacks with belt, boots and grey wool socks. Dress shirt, tie or gun shirt are to be packed in the cadet's luggage. The dress and deportment of all cadets shall be above reproach at all times. Cadets are NOT to wear ceremonial accoutrements while travelling including but not limited to medals, kilts, white gloves, brass belts, white lanyards for air cadets etc.

16. All cadets must have a valid Government Issue identification card prior to their departure from home to the CTC. The name must be identical to the legal name submitted when they applied for a CTC. For air travel, as a minimum, cadets under age 16 must have either one piece of photo identification or two pieces of identification, one of which specifies gender and date of birth and legal name. Documents such as a health card or birth certificate satisfy this requirement. Cadets aged 16 and over must have identification with photo. In both circumstances, a valid passport fulfills the requirements. School identification or Cadet Corps/squadron I.D. cards are not accepted. Cadets whose 16<sup>th</sup> birthday falls within their summer training period will be required to hold the higher level of documentation for their homeward journey.

17. Under the Government of Canada's Passenger Protect program, for all air travel, full legal names must be used. Cadets' names as registered with their home Cadet Corps/squadron MUST match the identification being carried.

18. Cadets and Staff Cadets travelling by air will have the cost of their first bag paid for. Additional baggage entitlements and restrictions will be identified in the Travel Orders. The following are some general guidelines to adhere to:

- a. baggage must be tagged with identification tags, displaying cadet's name, address, telephone number and Cadet Corps number, and must not exceed 50 lbs/22 kg;
- b. garbage bags, pillowcases, and bags with broken zippers are not acceptable as baggage;
- c. do not carry breakables in your baggage as DND or the air carrier cannot guarantee they will arrive undamaged;
- a. aerosol, liquids, gels are only permitted in carry-on luggage in limited amounts. In checked luggage the items together cannot exceed: 2L, or 2kg (75 fl. oz.);
- b. due to increased security, items considered dangerous are not to be packed in carry-on luggage. These include items such as nail files, nail clippers, box cutters, scissors, sewing kits, etc;
- c. a full list of permitted and non permitted items allowed on aircraft can be found at the Canadian Air Transport Security Authority [website](#); and
- d. carry-on luggage should be no larger than a school backpack.

19. The Department of National Defence is not financially responsible for lost or damaged baggage on carriers other than actual DND aircraft. In the event of lost baggage while travelling on a commercial carrier (Air Canada, WestJet, etc) it is the travelling individual's responsibility to report the loss to the applicable carrier as the financial responsibility rests with the carrier. The Movements Officer shall assist in making contact with the carrier and assist with the retrieval of the lost luggage.

20. Meals appropriate to the time of day are provided enroute if cadets travel extends over a meal period.

21. Cadets are not authorized to bring private motor vehicles of any type to a CTC. Parents/guardians may transport cadets to and from the Training Centre if prior arrangements are made with the Movements Officer through the Corps Commanding Officer/summer contact officer. Parents/Guardians are to complete the Parental Pick Up/ Parental Drop Off Form and submit it to the Movements Officer to ensure all personnel are made aware of the request.

### **TRAVEL TIPS**

22. Always make a checklist of everything in your checked baggage and your carry-on. This will assist you in filing a claim should it become lost. It will also assist you in your packing considerations for your next experience at a CTC.

23. Always have your travel orders and identification available on you, not packed in your luggage.

### **CADET CODE OF CONDUCT**

24. In order to participate at a CTC, course cadets and staff cadets must complete and submit upon arrival at the CTC the code of conduct located in Annex D of the joining instructions and arrive with a signed copy of their offer of participation.

### **MEDICAL AND DENTAL CARE**

Each Training Centre is staffed with medical personnel, including a physician during training hours, to provide a first-response level of medical services intended to deal with minor injuries and routine medical conditions. When necessary, individuals may be referred to local civilian medical facilities for more comprehensive diagnosis and/or treatment.

26. Dental Services. Emergency dental care is available in the event of accident or injury. No dental care beyond the emergency level is provided.

### **ACCOMMODATION PLAN REQUIREMENTS**

28. 30. Until such time as Fortress is able to provide functionality in advising of accommodation plan requirements, RCSU (NW) will implement a regional work process as follows:

- a. cadet corps shall handle requests for accommodations for the local program internally, except in the case of not accommodating based on “undue hardship”, which should only be determined in consultation with their Zone Trg O; and
- b. requests for accommodations for all other activities including CTC should be made with as much notice as practicable to [NorthwestTraining@forces.gc.ca](mailto:NorthwestTraining@forces.gc.ca). ## MEDICAL CARE FOR CADETS

### **CLINICS AT CADET TRAINING CENTRES**

1. Cadet Training Centres (CTCs) will be equipped with a clinic whose mission is to provide emergency healthcare. The mission of the clinic is to stabilize the patient and evaluate the need for more advanced healthcare. In accordance with current regulations, cadets are provided treatment at the CTC similar to what one would expect at an average walk-in clinic dealing with minor ailments. These clinics also oversee the distribution of prescription medications at hat cadets have when they arrive. Major ailments or injuries to cadets beyond the capacity of the clinic are referred to provincial/territorial health authorities for treatment.

2. There is a screening process completed prior to attending a CTC to ensure the cadet is medically able to complete the training offered. Clinics are not able to provide care for pre-existing dental or medical problems that prevent the cadet from participating in the directed training. A cadet with an ailment that cannot be supported by the CTC will be returned home.

### **PROVINCIAL/TERRITORIAL HEALTH CARDS**

3. All cadets must have a copy of their provincial/ territorial health and original photo identification card in their possession. Cadets who live outside of Northwest Region must also have a photocopy of their personal or family health card issued by the respective province.

### **PRESCRIPTION MEDICATION**

4. Cadets requiring prescription medication must bring sufficient medication to last for their entire stay at the training centre. Medications will be logged in and retained by CTC Medical staff, together with dispensing instructions. Although proper dosages and frequency are supervised by CTC staff, cadets are expected to be aware of, and understand, their own medication requirements. If prescription replenishment is likely to be required during the course, cadets must have in their possession the medication renewal prescription, the dosage, and sufficient funds to cover the cost of acquiring the medication. Canadian Forces Health Services will not pay for refilling prescriptions. All prescription medication must be accompanied with the completed CATO 16-04 Record of Medication found in Annex E Appendix 1.

### **OVER-THE-COUNTER AND PATIENT MEDICINES**

5. Cadets are not permitted to retain any non-prescription medications. Should circumstances warrant, CTC medical staff will administer any appropriate medication(s). All over the counter medication must be accompanied with a completed CATO 16-04 Record of Medication found in Annex E Appendix 1.

6. Medic-Alert Bracelets. Cadets in possession of and/or with known medical conditions (diabetes, allergies etc.) must wear a Medic-Alert bracelet while attending a Cadet Training Centre.

### **EYEGASSES, LENSES, CONTACT LENSES AND FRAMES**

7. The CAF will replace or repair lost or broken glasses or contact lenses, if the damage or loss is directly attributable to training or duty and was unavoidable. These items are the personal property of the cadet, therefore it is strongly recommended that the cadet or the parent

have insurance coverage for repair/replacement of eyeglasses. In addition, cadets requiring eyeglasses shall have in their possession two pairs of glasses and a copy of the prescription. Cadets are responsible for the safety of their eyeglasses and must exercise all due diligence in preventing loss or damage (wearing retaining straps etc.).

### **DENTAL SERVICES**

8. When a cadet suffers any injury to the teeth and adjacent oro-facial structures attributable to performance of duty, a cadet is entitled to the treatment that is necessary to restore a state of oral health comparable to that which existed prior to the injury. Re-constructive oral surgery to correct a pre-existing condition will not be provided.

### **ENTITLEMENTS/BENEFITS/COMPENSATION**

9. Cadets, civilian instructors and volunteers are not eligible for compensation and benefits set out in Compensation and Benefits Instructions (CBI) for the Canadian Armed Forces: only CAF members are eligible/entitled to receive such benefits.

10. The cadet will receive health care to treat the attributable condition until the responsibility for providing health care has been, in the opinion of the senior medical authority, successfully transferred to the provincial/territorial authority.

11. The CAF/DND and/or League Insurance will pay for necessary health care that is not covered by provincial/territorial health authorities which is required to treat the attributable condition and is authorized by the senior medical authority.

### **ALLERGIC REACTIONS/ANAPHYLAXIS**

12. Cadets allergic to insect stings or who may be prone to severe allergic reactions/anaphylaxis must bring their prescribed Anakit/Epi-pen with them. Parents must also ensure that the Anakit/Epi-pen has not passed its expiry date and that it will not expire while the cadet is at the Training Centre. Cadets are to bring a signed copy of their emergency response plan and parent consent form that provided by the Regional Cadet Medical Liaison Officer when they completed a Detailed Health Questionnaire. Questions regarding these forms can be directed to Master Warrant Officer Gerald Power, [Gerald.power@forces.gc.ca](mailto:Gerald.power@forces.gc.ca).
